

Inman Motocross Member:

Thank you for joining Inman Motocross! Thank you to those who have supported the track the past years. We will continue to make improvements.

INSTRUCTIONS:

Always use the north entrance to the park and enter the motocross track at the orange gate which will have the Member padlock. There are 2 gates that your membership key will give you access to, the north (yellow) gate on the east side by the road, and the main (orange) gate to get into the track. Your IMX key will work on both north gates. Make sure to ALWAYS lock BOTH the main (orange) IMX gate and the north (yellow) gate by the road, EVERY TIME you pass through –ENTERING or EXITING. If this is not followed, the City of Inman will override our IMX locks and NO ONE will be allowed to enter.

You have paid for a membership – don't let others get by without paying. Persons riding at the track without a membership, or paying as a guest, are TRESSPASSING and the police should be notified. In fact, there is also an Inman City Ordinance that allows us to confiscate your motorcycle if riders are found riding without a membership or paying for riding as a guest.

Park your vehicles just inside the orange gate in the open area north of the starting gate and along the hedge tree row during non race days. If the track is closed due to race preparation, the Member lock will not work.

2012 Membership Application Forms will be available on our website (www.inmanmx.com) starting in December 2011. The website is the best way to get the membership application forms – simply download it and print it. New keys will be mailed after we receive your completed 2012 Membership Application Form and payment. 2012 Memberships will be \$100 if purchased before August 1, 2012 and will be reduced to \$70 if purchased after August 1, 2012. Residents of the Inman School District will only have to pay \$10 for their yearly family membership. Remember that each family membership is good for immediate family members who live with you only. Only one key per Membership will be sent.

Non-members may be a guest of a Member for riding purposes ONLY when the Member is present. The Member assumes all responsibility for the actions of the Guest who must abide by the same rules as Members. Guests must pay a \$10.00 per day per rider fee and all guests (riders and non-riders) must sign the sign-in form. A box with Guest sign-in forms and a drop box for the completed guest sign-in forms and payments, is available at the main (orange) gate near the padlock. Please ensure that all of your guests sign the sign-in form and the riders pay the fee. The Member bringing the guests is responsible for filling out the Guest sign-in form and getting their signatures. Members bringing guests without signing the form or paying the fee could get their membership revoked.

You and your families, as paying Members, are responsible to police all the rules.

Please abide by the rules you have all signed and kept from the membership application form. If you did not follow the instructions and keep your copy of the rules, go to www.inmanmx.com to review them. Trash has recently become a problem – remember take your trash home with you. We do not have the resources to maintain a trash dumpster on the northwest corner of the track.

Inman Motocross Inc. is incorporated as a not for profit organization. All money from races, memberships, and guests, goes right back into maintaining and improving the facility and for local charities. So far, there have been a handful of dedicated members (volunteers) that have been doing the majority of the work – if you are interested in helping, please let us know. We can always use the help, especially during the organized practices and races.

If you have questions, comments, suggestions or just want to say hello, e-mail is the best way to contact me. inmanmotocross@yahoo.com is the address to send it to. The track phone number – 620-585-2877 – is only for announcements, messages you leave will not be listened to, but please call this number to for track information and to know when the track is opened or closed.

Ride on!

Brad Thiessen
President
Inman Motocross Inc.
